Product Bulletin – *GoTo* Focused Delivery Program

NEW Linear Motion *GoTo* Items

Bosch Rexroth is pleased to announce the addition of 32 new items into the Linear Motion ***GoTo*** Focused Delivery Program – the program that provides you with fast delivery of the industry's most widely used linear motion products.

We're adding items to the ***GoTo*** program from several product lines, including the popular size 20-145 Compact Modules in both belt (CKR) and ball screw (CKK) versions. For your convenience we have attached an updated part number section as a catalog supplement to the Linear Motion ***GoTo*** catalog, highlighting the new components and systems we are adding. Just look for this icon

 and go to the link indicated on the supplement page to get more information about any of the new additions.

NEW Items have been added to the following product groups:

- Machined Ball Screw Assemblies
- Ball Nuts
- End Bearings/Pillow Blocks
- Ball Rails
- Compact Modules (new products)
